

Silver Cruise Live Life eXponentially!

Enjoy the benefits of being a Q Sciences IBO. At Q Sciences, we reward hard work with well-deserved relaxation. To celebrate your success, we want to send you on a vacation to remember. You and your guest will embark on a four-night Caribbean cruise where you will be pampered and experience all the tropics have to offer.

Enjoy fresh ocean breezes, relax poolside, frolic in the electric blue water of the Caribbean, bask on the warm sands of the Bahamas, visit the private island of Cococay and end this amazing trip in Key West, the home of the Key Lime Pie.

Simply achieve the rank of Silver (Q20K) three times by July 31, 2013 to qualify for this fabulous vacation and Q Sciences will pay the way for you and your guest to enjoy some well-deserved R&R when the ship sets sail in October 2013.
